Folks,

Based on the responses to polls, the best meeting time is Wednesday 12/14/2011 from 1-5 PM. The meeting will be at the Department of Forestry, 2600 State Street, Salem in the Old Board Room in Bldg B (the State foresters' Building). There will be a call in option for those who cannot make it in person, if it is needed. Please let me know if you cannot make it in person.

Thanks, Peter

Next Meeting – Draft Agenda

1. Planning and logistics for spring pre- and post-spray sampling
2. Protocols for air sampling – scope of exposure investigation
3. Update on status of Investigation (e.g., Report on Dec.1 Governors staff meeting)
4. Public Information and Communication Plans (would be good if PIOs, Bruce, Karen, and Kevin could participate for this topic)
